

The Norwood School

CIRCULAR

(For Classes Pre-Nur, Nur and LKG)

(25.05.2026)

Dear Parents/Guardians

Greetings!

We hereby bring in your kind notice that students from classes Pre-Nur, Nur and LKG will have summer holidays from 26th May, 2026 to 30th June 2026 and they have to attend school regularly from **1st July 2026 (Wednesday)** as per the below given time

Timings: 9:00 A.M. to 12:30 P.M.

Summer vacations are important for rest and happiness but long breaks from the studies affect children's learning habits, revision, writing practices and discipline. Teachers have to often restart many concepts after the vacation.

Thus the holiday homework is not given to burden children but it is to keep them connected with the learning. Hence daily little revision will make a big difference. Encourage your child to finish their holiday homework on time and submit it back in the school on 1st July 2026 as marks will be considered in the internal assessment.

Further, due to intense heat wave all over the area, students are advised to take proper precautions to stay healthy and safe.

Avoid direct sun exposure during the extreme hot hours, your child should wear protective clothing, sunglasses, caps and use umbrellas while moving out. Beat the heat by making them drink lemonade, coconut water and eating fresh fruits. Give them healthy diet, avoid stale as well as junk food and keep them hydrated. Limit excessive screen time, help them to develop ethical values such as spending time with the grandparents, helping you in the small household work, watering plants, keeping water and grains for the birds and food for the stray animals.

Lastly, we wish you a very happy and fruitful family time during the holidays and we hope that you will support your child during the vacation so that he/she returns after the holidays more confident, prepared and ready to learn.

Thanks and Regards

Principal
